

It is the mission of Maine Narcotics Anonymous Services Committee to provide a common set of shared services to its member areas in the state of Maine. We are directly responsible to the groups in each of these areas. Our mission is to ensure that we administer services as effectively as possible to allow these groups to carry the message to the addict who still suffers.

Member Areas

- Eastern Maine Area Service Committee Narcotics Anonymous, (EMASCNA) – Consists of groups in the Counties of Aroostook, Hancock, Penobscot, Somerset, Waldo and Washington
